OUTRIGGER MAAFUSHIVARU ORGANIC ESPRESSO BLEND

A Short Back-story About Our Coffee.....

The coffee beans we use at Outrigger Maafushivaru are bought' in-season, from sustainable organic farms in Brazil, Colombia and Ethiopia. The beans are still in their raw, green form when arriving to the Maldives, where our partners at 'Civil Coffee Roasters' in Male, will roast the single origin beans to order, to ensure optimum freshness, before blending to our specifications.
